Training & Content

- VA Provides training to instructors and school teachers
- VA has developed Manuals, Books, Videos on IBT Program
- Open Educational Resource (OERs) on IBT are Available on www.learningwhiledoing.in

Quickest way to develop intelligence is to activity to hand
-Mahatma Gandhi

IBT

Introduction to Basic Technology (IBT) Program

Technology Based community services

Agriculture / Animal Husbandry

- Drip irrigation, Sprinkler, Mulching
- Vermi composting, Vermi wash
- Nursery techniques, Humidity chamber, Seedling Tray, Rice cultivation
- Estimating feed requirement of animal, Silage, Azolla culture, Vaccination of animal, Poultry
- Feed concentrate for animals
- AQUA Portal, Weather SMS
- Pest control, Soil testing, Water testing
- Mosquito control (Gappi Fish breeding)

Energy - Environment

- Electrical wiring, LED lighting, Earthing, Inverter, Pedal power
- Soak pit, Watershed, Check dam construction
- Solar cooker, Biogas, Smokeless stove
- GPS, Computer applications

Engineering

- Workshop technique, Fabricating Different Agriculture tools, Bamboo treatment
- Sanitation - Toilets, Plumbing
- Construction, Ferro cement, Ventilation, Low cost housing

Food Processing

- Food preservation
- Drying of vegetables, Solar drying
- Medicinal plant cultivation
- Healthy diet, Soya milk, Blood testing
